PATUXENT HIGH SCHOOL MARCHING BAND STUDENT HANDBOOK 2022

WELCOME!

Dear Marching Band Members and Parents,

Welcome to the 2022 edition of the Patuxent High School Marching Band! Returning members, welcome back to another exciting season and an opportunity to strengthen relationships, refine your skills and take on new leadership opportunities. New members, we are ecstatic to welcome you into our band family. You are about to be a part of something very special that will provide you ample opportunities to build friendships, take on new challenges, build leadership skills and help discover abilities you did not know you possessed! As you begin to learn and discover the nuances of marching band as an activity, you may feel overwhelmed at times. This is completely normal! I challenge you to stay the course as it only gets easier as you progress through the season. We have a wonderful staff, student leadership team and veteran members that are here to help make sure your first year with us is a memorable one. Everyone in our organization wants **you** to be successful and we will do whatever it takes to ensure you have an enjoyable experience. If you are new to the activity, you may have a lot of questions. The answers to many of those questions can be found in this handbook. If you cannot find an answer to your questions in the handbook, please feel free to contact Mr. Romagno for clarification. There is a lot of information contained in this packet. Please familiarize yourself with the policies and procedures, however, a lot of this will be discussed/taught as we prepare for the season in the spring and summer. Don't let this packet overwhelm you – we will teach you everything you need to know. This handbook serves as a reference and guide as we move throughout the season.

I am humbled each day by the support and dedication of the students, parents, band boosters, administration and community of our band program. My mission for this program is to “Provide each student with a commitment to musical excellence through opportunities and experiences that cultivate student leadership, self-improvement and personal development”. We strive for musical excellence every day through rehearsal and performance, however, our larger goal is using music as a vehicle to empower students to become leaders with extraordinary character to ensure they are successful in whatever path they take when they leave our program. I am looking forward to joining all of you on this journey!

Sincerely,

Mr. Daniel Romagno
Director of Bands

ALL FEES ARE DUE BY August 19th

If fees are not paid in full OR payment schedules are not up to date by August 19th your participation in the activity may be in jeopardy.

If you have a financial situation that requires assistance in paying these dues, please let Mr. Romagno know immediately so we can put a plan into place. WE WILL NEVER TURN STUDENTS AWAY DUE TO FINANCIAL REASONS. Students using financial assistance will be required to participate in band events and fundraisers as a contribution to the program for assistance.

*Fundraisers will be held throughout the year to help offset this cost. If you cannot afford the fees mentioned above, it is **your responsibility** to take advantage of fundraising opportunities to help raise money.

UNIFORMS & EQUIPMENT

Each PHS Band member will be issued a marching uniform and shako (hat) during band camp. Marching uniforms are to be kept in the uniform storage room located in the band room always. **NO uniforms should be taken home for any reason.**

For students who do not own an instrument, a school instrument will be provided. All equipment and uniforms loaned to a student must be returned at the conclusion of the marching band season. **Students who have not returned uniforms or equipment will have a Financial Obligation placed on their account.**

ATTENDANCE POLICY

Attendance at all PHS Rehearsals and Performances is MANDATORY. The unique aspect of marching band, unlike sports, is there are no bench or reserve players; everyone is a starter. Each member's success relies heavily on the other members of their section or those around them on the field. If you miss rehearsals, you are creating a scenario where other members must rehearse in a non-realistic setting and expect them to be ready for performance.

- **All REHEARSAL absences must be cleared with Mr. Romagno in advance!**
- **All PERFORMANCE absences must be cleared with Mr. Romagno at least 2 WEEKS in advance!**

Excused Absence:

Excused absences are absences that absolutely cannot be avoided (a death in the immediate family, severe illness, emergency situations, etc.). In the event of an emergency that causes you to miss rehearsal, you must tell Mr. Romagno of your absence and reason **IMMEDIATELY** via phone or email.

Unexcused Absences:

Unexcused absences are things that could have been avoided. These reasons include, but are not limited to: work, driver's ed., forgetting about rehearsal, attending a concert, not having a ride to rehearsal, vacations, doctor's appointments (unless cleared with Mr. Romagno in advance), homework etc.)

You are responsible for communicating your absences in a timely manner. Failure to do so will result in consequences at the director's discretion.

EXPECTATIONS FOR BAND MEMBERS

The Patuxent High School Marching Band has a rich tradition of excellence and respect. As part of this band, you are not only representing yourself, but the entire PHS Band Program, Patuxent High School, Calvert County Public Schools and generations of band members who have come before you. To uphold this tradition of excellence, we as a program should expect to follow the rules and regulations of the PHS Marching Band. These expectations are set in place to assure rehearsal efficiency and provide each student with “A Commitment to Musical Excellence”.

Rehearsal Procedures

- You are expected to be at rehearsals BEFORE the specified start time. Rehearsal start time is when instruction begins. You should have your instrument and all equipment ready for rehearsal and help set up the field, props and front ensemble before the start time. You are “on time” when you are in attendance block 5 minutes prior to the rehearsal start time. If you are not in attendance block by this time, you will be considered late.
 - Come to every rehearsal prepared. You should have:
 - Instrument (and any equipment needed to make it operate)
 - Music & warm ups in a binder with plastic protector sheets
 - Your dot book or UDB app
 - Pencil
 - Piece of chalk
 - Each student is expected to help set the field up for rehearsal each day. This process should start no later than 30 minutes prior to the rehearsal start time. Student leaders will help ensure that this process is completed on time.
 - **Please note that the rehearsal end time is the end of the instructional time. After instruction ends, there will be announcements followed by field tear down. Every student is expected to help clean up the field from rehearsal and ensure all instruments, props and equipment get put away before they leave.**
- *If you would not like to wait for your student in the car, please plan to arrive 30 minutes after the instructional time ends.**

Practice

- As a band member, you are expected to practice your music, know your parts, and memorize the show. You are part of a group made up of individuals. If individuals are not prepared, the product and success of the whole is compromised.
- Practice is different than rehearsal. Practice is what you do at home – figuring out your notes, figuring out your rhythms. Rehearsal is what we do together – listening and learning other sections’ parts and seeing how your part fits into the whole.
- The amount of time you practice determines how far we can get in rehearsal. When individuals do not practice, they limit how far the group can progress.

Travel

The marching band is one of the most visible and active entities of Patuxent High School. We travel often to perform and represent our school and county in many locations throughout Maryland and the surrounding states. It is important that we represent ourselves in a positive way wherever we travel.

- When we travel as a program, the same rules and guidelines of CCPS, PHS, and PHS Band apply as if we were still on school grounds.
- The way that you carry yourself in public reflects the kind of group that you are a part of. This includes the way you treat and interact with the people and facilities that we visit.
- **YOU** are responsible for loading your instrument, uniform (and all its parts), shako, shoes and black socks, and lunch (if necessary).
- When off school grounds, no students should ever be alone. **Students MUST travel in groups of 2 or more always.** If you should need to leave the group (to use the restroom, emergency reasons, etc.), make sure either Mr. Romagno or a chaperone know where you are always.
- **If you need to make alternative travel arrangements, it is YOUR responsibility to make sure that Mr. Romagno is informed, and that you get to the correct destination ON TIME. If you need to make alternative travel arrangements for the trip back to PHS, a parent or guardian MUST see Mr. Romagno or a chaperone to sign you out before you leave. If somebody other than a parent or guardian is picking you up, your parent or guardian must send a note to Mr. Romagno with the name of the person picking you up, and then that person must come to sign you out with government issued photo identification.**

In Uniform...

- When you are in uniform, your behavior should be serious, reserved and focused. Our uniform represents our school and program but is also a symbol of pride and excellence. People will directly associate your uniform (and your behavior in it) with your performance and our program. Any behavior unbecoming this will not be tolerated, as it compromises the integrity of the upcoming performance and ruins the focus of other band members.
- You must make sure your uniform is worn properly and taken care of. Section leaders should check their sections before every performance to ensure that they are dressed.
- When in uniform, you are not to play or make noise on your instruments unless performing or instructed to do so by Mr. Romagno or a student leader. Doing this gives a sloppy impression of our program.
- When we are finished with a performance, you are expected to take off your uniform and hang it up appropriately (pants folded on the seam and placed on the hanger, jacket placed neatly on the hanger and zipped, no shoes or socks in the garment bags). When we arrive back at PHS, it is the band member's responsibility to place the uniforms back on it's appropriate spot in the uniform room, and place their shako in the appropriate place.
- When we enter the stands to watch other bands and to watch the awards, you are expected to be humble and respectful to others. I expect the PHS Marching Band to be the best audience in attendance.

STUDENT LEADERS

Much of the success of the PHS Marching Band relies on the strength of its student leaders. Leaders are chosen at the end of each season by the entire marching band staff. Your “audition” for a leadership position begins from day one. Mr. Romagno and each staff member constantly watch how each student acts during rehearsals, breaks, during school and various other situations. They also take into consideration musical ability, marching ability and ability to work with others. ALL students who have been in marching band for at least one season are eligible to become a student leader. Your seniority over others in your section **DOES NOT** guarantee you a leadership position. Our student leaders should be the best example of the values and expectations of our program.

Student leaders are expected to be held to a higher standard always. You are always the first to arrive and the last to leave from rehearsals and performances. It is your job to hold other members accountable for their responsibilities and other aspects without being told. We will provide you with ample training and opportunities for growth throughout the season. **You are expected to be at ALL leadership meetings before AND after rehearsals and performances.**

***It is important to understand that all leadership positions are earned each day. If a student is not performing their position to the director’s expectation, a position may be dissolved or re-assigned at the director’s discretion.**

BAND CAMP

For the band to learn all the music needed throughout marching band season and the visual aspects of the show (drill, choreography etc.), it is necessary for us to have multiple, extended rehearsals. As this is the most important preparatory time for the band, Band Camp is **MANDATORY** for all members for **ALL DAYS**. Band camp will consist of music sectionals, full music rehearsals, marching sectionals, basic marching review, and drill setting. In addition, you will learn and review the procedures and expectations of the PHS Marching Band.

The band boosters will provide students with some snacks throughout the day, but students are responsible for bringing their own lunch. **Students are NOT to order lunch and have it delivered to PHS!** (parents/guardian may drop off lunch if necessary).

Once on school grounds, students are **NOT** permitted to leave until the end of the band camp day. Although some students may have the capability to drive, they will not be permitted to leave.

Students are responsible for bringing the following items with them to EVERY DAY of band camp:

- Packed Lunch
- Dot book (small notebooks attached to a lanyard)
- Pencil
- Music
- Sunscreen and Bug spray (Apply often!)
- Water Bottle
- Hat
- Sneakers

On the last day of band camp, a Parent Preview show will be held at PHS. This will serve as the debut performance of the PHS Marching Band Show.

FOOTBALL GAMES

As a part of the PHS community, the PHS Marching band is required to perform at ALL home football games including a pre-game show, halftime show, and stand tunes during the game. Students are to arrive at the band room BEFORE the report time, and change into their uniforms at PHS. Once dressed in half-uniform (pants and shoes, jacket folded and shako), students will assemble in the warm up arc in front of the school. The band will march to the field and perform pre-game and then head into the stands. When you are in the stands, you are to sit with your section, remain in full uniform (with shako removed), and remain ready to play. We will warm up

for our halftime show during the 2nd quarter and perform our field show during halftime. A snack will be provided in the stands. Students will not be able to visit the concession stand during the football game and parents should NOT bring students food during the game. A booster provided snack will be given at the end of halftime.

COMPETITIONS

The PHS Marching Band competes approximately seven times a year as a member of the USBands competitive circuit. This provides students with a competitive atmosphere with professional feedback and critique.

A trip itinerary will be handed out the week leading up to each competition. It will include report times, performance times, and approximate return times. On most competition days, we will rehearse at PHS for approximately two hours to focus students and make them performance ready. After rehearsal, we will load all equipment and instruments onto the trailer. **You are responsible for making sure your equipment is on the trailer!** All band members should make sure they have the following with them on the bus at every competition:

- Uniform: tour shirt, shoes, gloves, black socks, stadium jacket etc.
- Music & warm ups
- Money for concessions
- Comfortable clothes for the weather after performance

When we arrive at competitions, we will unload buses and equipment from the trailer. After this you will be given time to dress and to get your instrument and shako from the trailer. We will dress in half uniform, and proceed to warm up area. We will stretch, warm up and prepare for performance as a group. After warm ups, we will march to the stadium and perform our field show. After the performance, we will march off the field and return to the trailer/buses. Each member is responsible for returning their instrument and shako to the trailer. You will then be taken to the buses to change into your warm-ups (**make sure your uniform is hung in the bag correctly!**). We will then go back to the stands to watch the remaining bands compete, visit the concession stands, and watch the awards. After awards, the band will report back to the buses to head home. Depending on the length of the trip, the buses may or may not stop for a restroom stop on the way back home. When we get back to PHS, all band members are responsible for assuring that their uniform is hung correctly on the hanger and in the bag, and returned to the correct spot in the uniform closet. Section leaders will check their section's uniforms to ensure that they are hung correctly. **All students are expected to help put all the instruments and equipment away before leaving the school. Failure to do so could result in consequences at the discretion of the director.**

PARENTS AND BAND BOOSTERS

Band Parents play a HUGE role in the success of the Patuxent High School Marching Band. They are involved in assisting with uniforms, band camp, snacks, chaperoning, fundraising, moving equipment, and much more. There is way for EVERY parent/guardian to find a way, big or small, to give of their time and talents to help ensure every student has an enjoyable and memorable experience as a part of this organization. The band program has been blessed with phenomenal parents over the years, and we sincerely want you to be a part of it!

The band booster organization is for parents/guardians of students in ANY performing ensemble as a part of the PHS Band Department. The boosters meet at 7:00pm on the first Tuesday of every month. Please make sure that we have your most up to date contact information to communicate clearly with you!
