2014 and 2016 US Bands Maryland State Champions!

The Patuxent High School Marching Band is proud to have this as our title.

As the start of the school year approaches in September, the marching band is already hard at work preparing for the 2021-2022 season. Once again, the students of the Patuxent High School Marching Band will travel across the state of Maryland as representatives of Calvert County. The band performs at marching band competitions, concerts, festivals and graduation. In order to bring over \$100,000.00 worth of equipment to competitions and other events, the band uses a 46 foot semi-trailer.

This trailer is the center of attention wherever it goes mainly because of the visible community support ads that are printed on each side. As you might imagine, it costs a lot to travel with the band. We have a wonderful long-time supporter in C.L. Pitcher, Inc., but we need your help. Our travel costs are over \$5,000.00 per season. We are inviting local community supporters to partner with us to help offset the cost of our transportation by purchasing sponsor ads.

In appreciation, we will put your sponsor ad on the band's trailer, acknowledge you on our Facebook and Twitter page, add your business name to the band's website (<http://www.patuxentband.com>), announce your sponsorship at all home football games, and ask our parents to support your business.

Sponsor ads for the 2021-2022 season will be accepted through September 10th 2021 so that we may get sponsor ad placements completed in time for the marching band season.

For more information on placing your sponsor ad please contact Sandy Artz at artz3@comcast.net

Thank you for partnering with Patuxent High School Marching Band to help us keep moving and continue to show the state how fantastic and hard-working the students are from Calvert County.
